Please modify the claims in accord with the below list of claims which amends claim 1, 2, 8, 14 and 15 as shown.

The applicant also wishes to have approval to modify the figures by shifting the numbering of the figures to eliminate the non-existent figure 11 reference in accord with the Examiner's suggestion. To accomplish this, text of the specification is amended, which follows, and a set of drawings modifying the enumeration of the figures will be made upon approval. Fig. 13 should be
